A

In winter, when the fields are white,  
I sing this song for your delight.  
In Spring, when woods are getting green,  
I'll try and tell you what I mean.  
In Summer, when the days are long,  
Perhaps you'll understand the song.  
In Autumn, when the leaves are brown,  
Take a pen and ink, and write it down.  
I sent a message to the fish:  
I told them „This is what I wish.“  
The little fishes of the sea,  
They sent an answer back to me.  
The little fishes' answer was  
„We cannot do it, Sir, because.“  
I sent to them again to say  
„It will be better to obey.“  
The fishes answered, with a grin,  
„Why, what a temper you are in!“  
I told them once, I told them twice:  
They would not listen to advice.  
I took a kettle large and new,  
Fit for the deed I had to do.  
My heart went hop, my heart went thump:  
I filled the kettle at the pump.  
Then someone came to me and said  
„The little fishes are in bed“.

Maker of Heaven and Earth

All things bright and beautiful  
All creatures great and small  
All things wise and wonderful,  
the Lord God made them all.

Each little flower that opens  
Each little bird that sings,  
He made their glowing colours,  
he made their tiny wings.

B

All Things Beautiful  
All things bright and beautiful,  
all creatures great and small,  
all things wise and wonderful-  
The Lord God made them all.  
Each little flower that opens,  
each little bird that sings-  
he made their glowing colours,  
he made their tiny wings.  
The purple-headed mountain,  
the river running by,  
the morning and the sunset  
that lighten up the sky  
the tall trees in the greenwood,  
the pleasant summer sun,  
the ripe fruits in the garden  
he made them every one.  
He gave us eyes to see them,  
and lips, that we might tell  
how great is God Almighty,  
Who does all things well.“

C

Five green bottles hanging on the wall,  
And if one green bottle should accidentally fall,  
There'll be four green bottles hanging on the wall.

Four green bottles hanging on the wall,  
And if one green bottle should accidentally fall,  
There'll be three green bottles hanging on the wall.

Three green bottles hanging on the wall,  
And if one green bottle should accidentally fall,  
There'll be two green bottles hanging on the wall.

Two green bottles hanging on the wall,  
And if one green bottle should accidentally fall,  
There'll be one green bottle hanging on the wall.

One green bottle hanging on the wall,  
And if that green bottle should accidentally fall,  
There'll be no more bottles hanging on the wall.
